3) The opening of Vaidyasalas at Hoskote and Hoskere are now urged on grounds of the unhealthiness of the places and the absence of L.M. dispensaries within a reasonable distance. The cost will perhaps be the same as that estimated for in the case of a Vaidyasala at Channapatna in 1909, viz Rs. 28/- p.m. or Rs. 336 per ann.

B.S. 4 It is stated that the cost has been provided for in the next year's budget.

a) Though the finances of the Dt. Board of Trustees are not in a flourishing condition they are not so bad to necessitate refusal of sanction to such a useful item as the opening of Vaidyasalas in unhealthy localities, where medical relief of some kind is not available.

b) The liberal grants under the Village Imp: Scheme will liberate, if properly worked, a good portion of the Dt. Funds now provided for well works, and they can be utilised for useful expenditure of this sort.

Rec'd 4.3.14

To

K.R. Srinivasiengar, Esq., M.A.,

Secretary to the Government of H.H. the Maharaja

of Mysore - General & Revenue Departments.

Sir,

I have the honour to forward herewith a copy of the resolution of the Board re the opening of Native Vaidyasalas in this District pressed for before the Board on several occasions before.

As the Board suggest, such institutions may be opened with advantage in places where on account of the unhealthiness of the locality or inaccessability of the Local Fund Dispensaries, the people are put to much inconvenience for want of this first aid and as the opening of fully equipped Local Fund Dispensaries would involve heavy outlay and a considerable recurring expenditure which the Board is unable to meet, Government may be kindly pleased to approve of the Board's proposal in general.

This will no doubt add to the recurring expenses of the Board and they are also alive to it and therefore they want to proceed cautiously as funds permit. They have now provided for two such institutions at Hoskote and Hoskere. The former is in the Pavagada Taluk and in a most unfrequented corner of the Province. It is a big Union. They have been urging for a Local Fund Dispensary, which the Board for reasons already stated is unable to provide. The latter is also is in a corner of the Gubbi Taluk. The hilly and the malerial tracts in the Chiknaikanhalli Taluk are close to it. An institution in each of such places for the relief of the suffering will be a godsend to the people of these parts.

I

I would therefore recommend to Government the sanctioning of the proposal. Necessary funds have been provided for in the budget for 1914-15.

I have the honour to be,

Sir,

Your most obedient servant,

President.
